Our small group...

Has made a fantastic start. Led by Nina, we meet on Thursday evenings at Bottesford Methodist Chapel at 7.30pm. It's never too late to join, so come along with your bible. There is no meeting on Thursday 26th October due to half term.

Bishop's Mission Order (BMO) Update

Glenda and Laura, supported by Garry, Nina, Krista and Pete, have submitted the BMO application to the Bishop. Those of you in the know will remember that this Bishop has suggested we consider a BMO application to become a Church in our own right. We await his response, but in the meantime Laura and Glenda can now access support and training available to other Pioneer Ministers across the diocese.

Helping others...

We are supporting an appeal to help refugees in Calais this winter through the Help Refugees 'SNUG' campaign. Please bring donations of new socks, scarves, underwear and gloves to the next two services, so we can make up some snug bags.

Soup rota

Eating together as a fellowship before each service has been such a blessing this term...to make this sustainable we are looking for volunteers to make soup on a rota basis. If you can help, please speak to Glenda.

Team Vacancies This Autumn

We are looking for a couple of people to join our sound and technical team. This is a vital role and support will be given.

Do you love seeing children grow in their knowledge of God? If so, please get in touch with Laura or Glenda about helping with our children's ministry.
